you cannot run
you cannot hide
everything they tell you
is messing up your mind

they don't give up
and i don't give in
boys are made for pleasure
and girls are made for sin

(CHORUS)
excuses all around
they try to get you down saying
come on baby show it
(come on baby show it)
come in and meet the boys
(get down and see the toys)
but i don't wanna feel like
(i don't wanna feel like)
any other girl
(any other girl)

you better look good
you've got to have height
all they do is drink and talk about the fight
dancing is cute
and kissing is fun
but love is just a stormer
the game has just begun

Excuses all around
they try to get you down saying
come on baby show it
(come on baby show it)
come in and meet the boys
(get down and see the toys)
but i don't wanna feel like
(i don't wanna feel like)
any other girl
(any other girl)

come on baby show it
(come on baby show it)
come in and meet the boys
(get down and see the toys)
but i don't wanna feel like
(i don't wanna feel like)
any other girl
(any other girl)

come on baby show it
come in and meet the boys
but i don't wanna feel like
any other girl
(any other girl)
come on baby show it
(come on baby show it)
come in and meet the boys
(get down and see the toys)
but i don't wanna feel like
(i don't wanna feel like)
any other girl
(any other girl)

na na na na
(na na na na)
na-na-na-na-na
(na-na-na-na-na)
