He spent his whole life being too young
To live the life that's in his dreams
At night he lies awake and he wonders
Why can't that be me?

Cause in his life he's filled with all these good intention
He's left a lot of things he'd rather not mention right
now
Just before he says goodnight
He looks up with a little smile at me and he says

If I could be like that
I would give anything
Just to live one day
In those shoes
If I could be like that
What would I do?
What would I do, yeah

Now in dreams we run

She spends her days up in the North Park
Watching the people as they pass
And all she wants is just a little piece of this dream
Is that too much to ask?

With a safe home
And a warm bed
On a quiet little street.
All she wants is just that something to hold on to.
That's all she needs. Yeah

If I could be like that
I would give anything
Just to live one day
In those shoes
If I could be like that
What would I do?
What would I do?

Yeah, yeah, yeah

Oh, oh, oh, yeah
I'm falling into this
In dreams, we run away

If I could be like that
I would give anything
Just to live one day
In those shoes
If I could be like that
What would I do?
What would I do?

If I could be like that
I would give anything
Just to live one day
In those shoes
If I could be like that
What would I do, Lord?
What would I do, yeah

Falling in
I feel lost
Falling in
To this, again
