let this dance floor rock tonight
if you wanna get high baby its alright
let this dance floor rock tonight
we fall on the floor let your self go this is your night

let this dance floor rock tonight
get on the floor its your night
let your self go its out of sight
if you wanna get hot its alright
just strap you self in and hold tight

let this dance floor rock tonight
if you wanna get high baby its alright
let this dance floor rock tonight
we fall on the floor let your self go this is your night
