Do you think that I can get some chickie chickie
Maybe gets a little finga sticky sticky
You my electrical lip balm flava
I gotta do ya until the next song saves ya
And can I get a little zip zip lookie lookie
Can I get a little uh uh nookie nookie
Hey whatcha say, it doesn't matter anyway
You won't do another 'cause you're getting with me

She got the power of the hootchie
I got the fever for the flava of the cootchie
And did I mention, hey pay attention
Gonna take that bootie to the nudie dimension
I got the green glow under my car
I got the boom boom system you can hear real far

[Chorus]

Oh hey hey hey hey hey oh pretty pretty shy whoap
Oh hey hey hey hey hey oh pretty pretty fly whoap
What do I have to say to get inside girl what do I have
to say

Can I get a little yum, yum kitty kitty
Just a little sumthin sumthin itty bitty
Do you wanna get triple x groovie
Gimme gimme some of that kinda movie
And let me spin ya like a record wicky wicky
Let me get you butt naked licky licky
Here we go yo here's the scenario
Gonna strip you down like a car in the barrio

Ya got the power of the hootchie
I got the fever for the flava of the cootchie
I'm your lovey dovey bedtime playa
Call me the super sexy boogie man slayer
I got the green glow under my car
I got the boom boom system you can hear real far

[Repeat Chorus]

I got the fever for the flava of a cootchie
Yo hey ma yo hey ma yo hey mamama hootchie

I got the fever for the flava of the cootchie
Yo hey ma yo hey ma yo hey mamama hootchie
Whoap Whoap Go!
Do you think that I can get some chickie chickie
Maybe gets a little finga sticky sticky
You wanna suck it like a bong hit wacky
You gotta be my First Lady Jackie

She got the power of the hootchie
I got the fever for the flava of the cootchie
Let's party hardy and rock n' roll
We drink Bacardi and smoke a bowl
I got the green glow under my car
I got the boom boom system you can hear real far

[Repeat Chorus]
I got the fever for the flava of the cootchie
Yo hey ma yo hey ma yo hey mamama hootchie
I got the fever for the flava of the cootchie
Yo hey ma yo hey ma yo hey mamama hootchie
Whoap Whoap Go!
