When the night falls down
I wait for you
And you come around
And the worlds alive
With the sound of kids
On the street outside

When you walk into the room
You pull me close and we start to move
And were spinning with the stars above
And you lift me up in a wave of love...

Ooh, baby, do you know what thats worth ?
Ooh heaven is a place on earth
They say in heaven love comes first
Well make heaven a place on earth
Ooh heaven is a place on earth

When I feel alone
I reach for you
And you bring me home
When Im lost at sea
I hear your voice
And it carries me

In this world were just beginning
To understand the miracle of living
Baby I was afraid before
But Im not afraid anymore

Ooh, baby, do you know what thats worth ?
Ooh heaven is a place on earth
They say in heaven love comes first
Well make heaven a place on earth
Ooh heaven is a place on earth
