Everytime you go away
It actually kinda makes my day
Everytime you leave you slam the door

You pick your words so carefully
You hate to think your hurtin' me
You leave me laughing on the floor
Cuz

[Chorus:]

I don't give it up
I don't give a damn
What you say about that
You know I don't give it up
I don't give a damn
What you say about that
You know I'm not gonna cry bout some stupid guy
A guy who thinks he's all that

I thought we were just hanging out (Hanging out)
So why'd you kiss me on the mouth
You thought the way you taste would get me high (Ohh)

You went to all your friends to brag (Brag)
Guy's are always such a drag (A drag)
Don't you know the reason that I kissed you was to say
goodbye
Cuz

[Chorus]

Hanging, hanging out
I am simply hanging, hanging out
I am simply hanging
So why'd you kiss me on the mouth
(Why'd you kiss me)
Don't you know that I

I don't give a damn about you
I won't give it up not for you
I don't give a damn about you

I won't give it up not for you
I'm not gonna cry bout some stupid guy
A guy who thinks he's all that

I don't give it up
I don't give a damn
What you say about that
You know I don't give it up
I don't give a damn
What you say about that
(I don't give a damn)

I don't give it up
I don't give a damn
What you say about that

You know I don't give it up
I don't give a dam,
What you say about that

You know I don't give it up
I don't give a damn
What you say about that...
