This bed is on fire with passion and love  
The neighbors complain about the noises above  
But she only comes when she's on top

My therapist said not to see you no more  
She said you're like a disease without any cure  
She said I'm so obsessed that I'll become a bore, oh no

Ah you think you're so pretty (eeeeeeeeeeeeee  
eeeeeeeeeeeeee)

Caught your hand inside the till  
Slammed your fingers in the door  
Bought the kitchen knives and skewers  
Dressed me up in women's clothes  
Messed around with gender roles  
Dye my eyes and call me pretty

Moved out of the house so you moved next door  
I locked you out you cut a hole in the wall  
I found you sleeping next to me I thought I was alone  
You're driving me crazy when are you coming home
