Midnight at the oasis
Sing your camel to bed
Shadows painting our faces
Traces romance in our heads

Heaven holding a half moon
Shining just for us
Let's slip off to a sand dune real soon
Kick up a little dust

Come on cactus is our friend
He'll show us the way
Come on 'till the evening ends
'till the evening ends

You don't have to answer
There's no need to speak
I'll be your belly dancer
Prancer and you can be my sheik

I know your daddy's a sultan
A nomad known to all
With fifty girls to attend him
They all send him
Jump at his beck and call
But you won't need no harem
honey
When I am by your side
And you won't need no camel
No no when I take you for a ride

Midnight. At the oasis
