He pauses shaving and he tells himself that he is the
bomb

She has her curlers set, her credit cards are paying the
funds

Hes not that old, Ive been told a strong sexual goal

He goes out every day, she goes every way, oh yeah

And they dont even care at all

Shes open waiting for more

And I know hes only looking to score

And it is way too unhealthy

Often they typically

Been starved for attention before

She smokes a dozen and he doesnt seem to notice the
smell

He took the seat off his own bike because the way that
it felt

He wants to bone, this I know she is ready to blow

They go out every night, his pants are super tight, oh
yeah

And they dont even care at all

Shes open waiting for more

And I know hes only looking to score

And it is way too unhealthy

Often they typically

Been starved for attention before
