You come around every now and then  
Your clothes are different but you're still the same  
Why else would you come here?  
Scumbag on a mission

You're tellin me that its been awhile  
Shit-eating grin and a brand new lie  
Somebody let you come here  
Scumbag with permission

Never thought I'd see  
The likes of you around this place  
What's the special occasion?  
Did you run out of friends?

Here you are, comin 'round again  
And things are different but you still pretend  
You've got a reason to come here  
Scumbag with ambition

And now you're telling me that things have changed  
And you'll be leavin in a couple days  
You're gonna change the world someday  
Scumbag with a vision

It must be nice to know  
You've got it all figured out  
But from where I'm sittin  
It's the same thing again and again

You never stopped to think  
Before you opened up your mouth  
Cuz every time you do  
It's the same thing again and again
