I never knew girls existed like you
But now that I do
I'd really like to get to know you

The girl's too young
She don't need any better
It's all coming back
I can feel it
The girl's too young
She don't know any better
It's all coming back
I can feel it

[Chorus:]
She is beautiful
She is beautiful
She is beautiful
She is beautiful
The girl is beautiful

You're giving me moves that hit from all sides
and when you are hitting like that you melt my eyes

The girl's too young
She don't need any better
It's all coming back
I can feel it
The girl's too young
She don't know any better
It's all coming back
I can feel it

And though I never know you
I look at your face.
To tell you that I love you
Don't know what to say
You're everything I got, you beautiful girl
The only thing I live for in the whole wide world

[Chorus:]
She is beautiful

She is beautiful
She is beautiful
She is beautiful
The girl is beautiful

I ain't got nothing to lose (Nothing to lose)
Going to throw it away
And talk to you
She looks good
She looks good
And it's true
And it's true
The girl is beautiful
She is beautiful

I ain't got nothing to lose (Nothing to lose)
Only living one time
And I want you
She looks good
She looks good
And it's true
And it's true
The girl is beautiful
She is beautiful

She is beautiful
She is beautiful
Na na na na na na na
She is beautiful
She is beautiful
Na na na na na na na
The girl is beautiful
She is beautiful
She is beautiful
Na na na na na na na
She is beautiful
She is beautiful
Na na na na na na na

I ain't got nothing to lose (Nothing to lose)
Going to throw it away
And talk to you
She looks good
She looks good
And it's true
And it's true
The girl is beautiful
She is beautiful

I ain't got nothing to lose (Nothing to lose)
And I'll never forget

When I saw you
She looks good
She looks good
And it's true
And it's true
The girl is beautiful
She is beautiful
