Everybody's got their problems
Everybody says the same things to you
It's just a matter how you solve them
And knowing how to change the things you've been
through

I feel I've come to realize
How fast life can be compromised
Step back to see what's going on
I can't believe this happened to you
This happened to you

It's just a problem that I'm faced with am I
Not the only one who hates to stand by
Complications that are first in this line
With all these pictures running through my mind

Knowing endless consequences
I feel so useless in this
Can't back, stand back, can't ask
For me I can't believe

Part of me, won't agree
Cause I don't know if this for sure
Suddenly, suddenly
I don't feel so insecure

Part of me, won't agree
Cause I don't know if this for sure
Suddenly, suddenly
I don't feel so insecure
Anymore

Everybody's got their problems
Everybody says the same things to you
It's just a matter how you solve them
But what else are we supposed to do

Part of me, won't agree
Cause I don't know if this for sure
Suddenly, suddenly

I don't feel so insecure

Part of me, won't agree
Cause I don't know if this for sure
Suddenly, suddenly
I don't feel so insecure
Anymore

Why do things that matter the most
Never end up being our choice
Now that I find no way so bad
I don't think I knew what I had

Why do things that matter the most
Never end up being our choice
Now that I find no way so bad
I don't think I knew what I had
