Love is tragic
Love is bold
You will always do what you are told

Love is hard
Love is strong
You will never say that you were wrong

I dont know when I got bitter
Love is sure better when it's gone
Because you wanted more
More than I could give
More than I could handle
And a life that I can't live

You wanted more
More than I could bare
More than I could offer
And a love that isn't there

Love is color
Love is love
Love is never saying you're too proud

Love is trusting
Love is honest
Love is not a hand that holds you down

I dont know when I got bitter
Love is surely better when it's gone
Because you wanted more
More than I could handle
And a life that I can't live

You wanted more
More than I could bare
More than I could offer
And a love that isn't there

I gotta pick me up when I am down
I gotta get my feet back on the ground

I gotta pick me up when I am down

[Solo]

I don't know when I got bitter
Love is surely better when it's gone
Because you wanted more
More than I could handle
And a life that I can't live

You wanted more
More than I could bare
More than I could offer
And love that isn't there

You wanted more
More than I could bare
More than I could offer

Because you wanted more
More than I could give
More than I could handle
And a life that I can't live
