Hot fun in the summertime
Hot fun in the summertime
Hot fun in the summertime
Hot fun in the summertime

End of the spring and here she comes back
Hi, hi, hi, hi there, well, summer days, those summer
days
I'd lie down when I want to
I'm out of school, county fair in the country sun
And everything is cool

Hot fun in the summertime
Hot fun in the summertime
Hot fun in the summertime
Hot fun in the summertime

That's when I had most of my fun back
Hi, hi, hi, hi there, well, summer days, those summer
days
Do you remeber when I want to
I'm out of school, county fair in the country sun
And everything is cool, hot fun

Hot fun in the summertime
Hot fun in the summertime
Hot fun in the summertime
Hot fun in the summertime, hot fun

Hot fun in the summertime
Hot fun in the summertime
Hot fun in the summertime
Hot fun in the summertime
