ALL:I don't like anyone but you.

Janis:Nikki says we're all downtown,what's my problem
I don't wanna
socialize.Why don't they leave me alone.
Bad boys,jealous girls,been there,done
that,I just wanna fantasize.
(Na,na,na,na,na,na,na) Staring at the ceiling thinking
about you.
(Na,na,na,na,na,na,na)It's a freaky feeling,what can I
do.

Chorus:I don't like anyone,
the way I like you. I don't go anywhere,if you're
not there,too.It's not as if I'm hard to please,
you're the only one good enough
for me,those others just won't do,I don't like anyone
but you.

Cheryl: Oh Yeah,they think I'm a little obsessed,up here
sending mental
telepathy,I'm concentrating on you.
I want to you everything but if I do,will
you think the less of me.(Na,na,na,na,na,na,na)
Everybody else,just wasting my
time.(Na,na,na,na,na,na,na)
Baby,can't you tell,we're two of a kind.

Chorus Repeat

Vamp:Staring at the ceiling thinking about you,
(What can I do) it's a freaky
feeling what can I do.

Chorus Repeat (2x)

I don't like anyone but you.
