I'm going under  
I'm slipping fast  
Just like a drowning woman I keep turning over my past  
I need a touch of some tender sweet love  
The kind to pull me through  
I'm like a ship that's lost on the ocean, a callin' out to  
you -

I'm sending out an SOS  
Somebody save me  
Throw me a love line (Save me, save me)  
Sending out an SOS  
Somebody save me  
Somebody rescue me (Rescue me)

My ship was sinking, my hope has gone  
This is my third time down and I don't have the  
strength to go on  
I need affection, a new direction  
To guide me to the shore  
The kind of love that just can't be broken  
The way it was before

I'm sending out an SOS  
Somebody save me  
Throw me a love line (Save me, save me)  
Sending out an SOS  
Somebody save me  
Somebody rescue me (Rescue me)

Whoa yes -  
I need affection, a new direction  
To guide me to the shore  
The kind of love that just can't be broken  
The way it was before

I'm sending out an SOS  
Somebody save me  
Throw me a love line (Save me, save me)  
SOS (Save me darlin')  
Somebody save me

Somebody rescue me (Rescue me)  
Oh yes -  
Oh my goodness  
SOS  
(Repeat to fade)
