(Doc Pomus and Mort Shuman)  
(Dance with me, Dance with me)

You can dance every dance  
With the gut that gives you the eye;  
Let him hold you tight  
You can smile every smile  
For the man who held your hand  
Beneath the pale moonlight

So don't forget who's taking you home  
And in whose arms you're gonna be  
So, darlin', save the last dance for me

(Dance with me)

Oh I know that the music's fine  
Like sparkling wine;  
Go and have your fun  
Laugh and sing,  
But while we're apart  
Don't give your heart to anyone

So don't forget who's taking you home  
And in whose arms you're gonna be  
So, darlin', save the last dance for me

Baby, don't you know I love you so?  
Can't you feel it when we touch?  
I will never, never let you go  
I love you, oh so much

You can dance, go and carry on  
Till the night is gone  
It's time to go  
If he asks if you're all alone,  
Can he take you home,  
You must tell him no

So don't forget who's taking you home  
And in whose arms you're gonna be

So, darlin', save the last dance for me

[Solo]

So don't forget who's taking you home  
And in whose arms you're gonna be  
So, darlin', save the last dance for me

Dance with me  
Dance with me  
Dance with me  
You can with me  
Oh,  
You can dance with me

So don't forget who's taking you home  
And in whose arms you're gonna be  
So, darlin', save the last dance for me

Save the last dance for me  
Save the last dance for me  
Save the last dance for me  
Save the last dance for me, etc.
