My, my  
Oh the feelin'  
Of the sound  
Precious and real and  
Ooo that's nice  
Whip up some steamin' jazz  
The pot is on the stove  
It's cookin'

Want some more  
We always save some  
Art nouveau  
For special patrons  
You look nice  
Do you believe in jazz

Kansas City to Brazil  
It even gets you hot in your home  
Kansas City to Brazil  
I say blow your top  
Blow your own

Ooo ooo ah  
This be-bop's too much  
I know you know  
Hip hop  
Never stop  
I'll pour you tasty funk  
We got  
Cool and hot  
Just for you  
The pleasures of the soul  
Come on  
Come in  
And check it out  
Ooo c'est si bon  
Ooo ooo ah  
This be-bop's too much  
I know you know  
Hip hop  
Never stop

I'll pour you tasty funk  
We got  
Cool and hot  
Just for you  
The pleasures of the soul  
Come on  
Come in  
And check it out  
Soul food to go

Yeah, yeah yeah...

(Repeat all)
