See his soul was horrified
people screamin' people cryin'.
Took a look and he turned around
"I'm runnin for higher ground!"

(Chorus)

Fire trying ta drag him down!
(Fire trying ta drag him down!) S
Fire trying ta drag him down!
(Fire trying ta drag him down!)
He was run run runnin' for higher ground!
With the fire tryina drag him down...

The face he saw was terrifying!
The fear of unholy filled the eye
Sound of fury filled the air
Turned away and he disappeared

(Chorus)

Fire trying ta drag him down!
(Fire trying ta drag him down!)
Fire trying ta drag him down! R
(Fire trying ta drag him down!)
He was run run runnin' for higher ground!
With the fire trying drag him down...

(Break)

He felt his heart fill up with hate
revengeful love stood at the gate
and he knew he had to beat them down
make his way for higher ground!

(Chorus)

Fire trying ta drag him down!
(Fire trying ta drag him down!) V
Fire trying ta drag him down!
(Fire trying ta drag him down!)
He was run run runnin for higher ground!
With the fire trying drag him down...

(Chorus)

Fire trying ta drag him down!

(Fire trying ta drag him down!)

Fire trying ta drag him down!

(Fire trying ta drag him down!)

He was run run runnin for higher ground!

With the fire trying drag him down...
