When I think of our untimely end  
And everything we could have been  
I cry, baby I cry  
Ok so it's 5 am and  
I still can't sleep  
I took some medicine  
But it's not working  
Someone's clinging to me  
And it's bittersweet  
'Cause he's head over heels  
But it ain't that deep  
I finally changed my number  
Got a different pager  
Then last Saturday  
Your cousin called to say you're  
Tryin' to reach me  
Probably because you see that  
I'm with someone new

Chorus:

Late at night like a little child  
Wandering around alone in my new friend's home  
On my tippy toes  
So that he won't know  
I still cry baby  
Over you and me

Sipping Bailey's Cream  
By the stereo  
Trying to find relief  
On the radio  
I'm suppressing the tears  
But they start to flow  
'Cause the next song I hear  
Is a song I wrote  
When we first got together  
Early that September  
I can't bear to listen  
So I might as well drift  
In the kitchen  
Pour another glass or two

And try to forget you

Chorus

Snoop's Verse

Chorus (x3
