Moving bloody water  
Washing my own life  
I gave you everything  
And I want to know now  
Where's gone my bliss

Deny your right  
Deny your body  
We don't think you want to  
Be all you can  
Don't ask don't tell  
If it has to sell  
We don't think that you are  
Our kind of man

I can die for you  
Fill out the numbers  
Same side as you  
And we are legion  
Live for you  
And do your bidding  
Die for you  
And lie here bleeding

Moving bloody water  
Washing my own life  
I gave you everything  
And I want to know now  
Where's gone my bliss

Hard as life  
Hard as stone  
In simper fi I trusted  
I planned  
I walked that line

I did my time  
Like your nigger  
Like your three-quarter man

I can die for you  
Fill out the numbers  
Same side as you  
And we are legion  
Live for you  
And do your bidding  
Die for you  
And lie here bleeding
