(Feat. Im Jung Hee)

Somewhere amongst the number of lights  
The house you live in is there too  
Next to that person with a comfortable smile  
I hope you're having a day without hard moments  
Somewhere amongst the number of lights  
Unable to sleep, you are there too  
After you sent me away, do you still think of me  
You're not hurting or having a hard time, right?

I don't wanna let u go I don't wanna let u go  
Even as time passes by, my unchanging heart  
You're still my girl; I can't throw away the fact that  
you're my love  
If you saw, how funny you'd find it

I don't wanna let u go I don't wanna let u go  
Still deep inside my unchanging heart  
I'm someone else's girl, but I have this kind of heart  
If you knew, how funny it'd be, My Love

In the heavens amongst the shining stars I see the spot  
of the star you found for me  
You must bring up lovely thoughts of me once in  
awhile, like a fairy tale  
In the heavens amongst the shining stars, I see the  
bare spot of the star I found for you  
Because you might see it and cry over the memory of  
me, I want to cover it with my hand

I don't wanna let u go I don't wanna let u go  
Even as time passes by, my unchanging heart  
You're still my girl; I can't throw away the fact that  
you're my love  
If you saw, how funny you'd find it

I don't wanna let u go I don't wanna let u go  
Still deep inside my unchanging heart  
I'm someone else's girl, but I have this kind of heart  
If you knew, how funny it'd be, My Love

Without change, you're still My Love
