RAIN- VERSE

Let me take it slow let me try my luck,
I wanna rub you down I wanna build you up I wanna
boost your ego raise it up dont wanna tie you down I
wanna tie you up,
Your looking so devine I wanna read your mind your
wanna roll right now if you was reading mine,
I wanna make you climax then flip positions all night all
day picture the vision,
Picture the cars then picture the jewellery I aint gonna
lie most girls bore me,
I'll have you shining wearing VS diamonds the
diamonds are blinding and flash like lightning Yeah,So
let me raise your profile Louis v Gucci you know my
style,
the finer things I'll have you riding in
Porches ranges enjoy the changes OH
