dil ne jise apna kaha
bekhabar woh hain vahan
jaane par zameen aasmaan

mili nazar yun is pal yeh haya darmiyaan
baaton mein bhi keh na saki dil ki baat bezubaan
ab hai hulchul pal pal bekal doonde hai unko dil
ke chale zara unki hi manzil bole raaze dil par
ab woh hai kahan

khile khili kaise hain raat
milke woh chand se
door hain hum milke bhi
dekhenge aapsi
tim tim jaage aankhon ke taare
unki hi raahon mein
ke yunhi kab unke bhi dil mein jaage mohabbat
aaye woh yahan

shaam-o-sahar chaaron peher dhooda tujhe har disha
haan magar haar kar aa gayi yeh nigaah
saaye ko tere tarse hain aankhen
tadpe hain dil mera
ke tere bina pyar wafa kya mera yahan kya
apna luta jahan
