The freaks'll stay together They're a tight old crew You
look at them And they look at you I love the ballyhoo
girl But she don't care It's hard to find love anywhere
Hard to find love anywhere The professor is the talker
He's the talking man And if he can't clean a midway
Nobody can He'll get the tip on in From the midway
mud You gotta have the sawdust in the blood Gotta
have the sawdust in the blood See the pig-faced man
and the monkey girl Come see the big fat lady 'Gator
slim with the alligator skin Come see the devil baby
Springer is the talker He's the talking man He's got the
whole studio Eating out of his hand You can be on too
With the nuts and the geeks Call 1-800-ima frek 1-800-
ima frek Be the pig-faced man or the monkey girl
Come be the big fat lady 'Gator slim with the alligator
skin Come be the devil baby
