Ã¼zgÃ¼nÃ¼m ama sana gÃ¼re deÃ¼ylim(i am sorry but I am not suit to you)
ben biraz fazla geldim(i am much for you)(*you dont deserve me,i deserve much better than u)
zahmet edipte kalkma yerinden((dont kick up a fuss from ur place)
kapÃ±yÃ± ÅŒeker giderim...(i close door and go)
neden kalayÃ±m ki bile bile acÃ± ÅŒekeyim ki neden(for why I stay,for why I suffer consciously?)
bitti inanki beni sana baglayan birsuru neden(believe,many reson which tie me to you finished)
kazanmanÃ± yolu bu deÃ¼il ki Ã¼zerek ve aÃ¼latarak(it is not the way to win,by make
crying,paining)
aslÃ±nda sen kaybediyorsun aÃ¼kÃ± harcayarak(indeed you are losing by spending love)
