7 C o m p a r t m e n t s
I design that heart of yours
I redesign that heart of yours
7 compartments plus one
You might need it
7 compartments plus two
You prefer that
7 compartments plus three
If you laugh you are free
Can you picture me
Picture me
Picture me

You are the ghost in my minds heart
Nobody else could tear apart
7 compartments plus one
I do need it
7 compartments plus two
Can you believe it
7 compartments plus three
If you laugh
I feel free
Can you picture me
Picture me
Picture me
