"A Waltz For Jane"

Visit "[A Waltz For Jane](#)" on MotoLyrics.com

there's a big house on the mountain
and a garden with a tree
there's a husband and some children
but they don't belong to me
there's a dirtroad to the valley
where the horses can run free
and a mustang and a driver who can take us to the sea

there's a big heat on my balcony
and i feel lonely as can be
so i walk down to the market
shady place
through a crack upon the ceiling
we have just a scanty light
so it won't be too revealing
when i dance a waltz for jane
my waltz for jane

there's a big light
in a big sky
'pon a big dream
when it comes true
this town will never look the same
in a big sky
'pon a big dream
when it comes true
this town will never look the same

there's a big light in the sky
and i know why it shines on me
'cause my next step is forever
and my next turn sets me free
a waltz for jane
my waltz for jane

there's a big light
in a big sky
'pon a big dream
when it comes true
this town will never look the same
in a big sky
'pon a big dream

when it comes true
this town will never look the same
