down in vineland
there's a clubhouse
girl in white dress
boy shoots white stuff
don't you know
that anyone can join
and they come and call
and they fall on the floor
don't you see
when you're looking at me
that i never end
transcend transcend
ain't it strange
oohooohoo
ain't it strange
come and join me
i implore thee
i impure thee
come explore me
don't you know
that anyone can join
and they come and call
and they fall on the floor
don't you see
when you're looking at me
that i never end
transcend transcend
ain't it strange
oohooohoo
ain't it strange
true, true
who are you
who, who am i

oohoooh
ain't it strange
do you go to the temple tonight?
oh no, i don't think so no
do you not go to the palace of answers with me, marie?
oh no, i don't think so no
see, when they offer me books of gold
i know soon still that platinum's coming
and when i look inside of your temple
it looks just like the inside of the brain of any one man
and when he beckons his finger to me, well
i move in another direction
i move in another dimension
i move in another direction
ohohoh strange
