do i stay
do i go
do i cool it
do i blow
blow a fuse
burn it down
step right in
turn around
here to go
reckoning
there's a finger
beckoning
this is me
changing
i am leaving
i am leaving
a loner a loon
howling at the moon
write it in the sky
rock n roll will never die
and
i thank you very much
if you don't
cry
a river for me
i have drowned before-so don't you
cry cry
a river for me
i only got a few minutes to go
don't cry
a river for me
i learned how to swim
and i learned how to move-so
be cool
cool

harder
you want it harder
by now
i should be smarter
sure
bold and beatified

anything but blue-eyed
get your gun
kill me quick
before i play another trick
you can do the pony
the bony malony
you can do the watusi
believe in what you see
and i thank you very much
if you don't
cry
a river for me
i have drowned before-so don't you
cry cry
a river for me
i only got
a few minutes to go
don't cry
a river for me
i learned how to swim and
i learned how to move-so
be cool
cool
