"Memories"

i know

i can not leave this place

full of memories

things like

the way they knew us

all over town

we used

to walk the streets together

we could be seen

pass shops where people knew us

yeah, people knew

i got

to choose between tomorrow

and yesterday

i can't stop to think about

my life here today

maybe

i'll find someone to get you

off my mind

take me away from here

and leave it

leave it all behind
