What is love? It's in the blood, it's just a way of life  
What is love? It's everything, it's something you can't  
hide  
What is love? Is it the way you look into my eyes?  
What is love? The things you do that take me by  
surprise

Coro:

Amor is to love you, amor is to care  
Amor is to people with something to share  
Amor for the Spanish, amor for the French  
Love in any language always means the same

What is love? Is it the joy of having you around?  
What is love? Is it the way you lift me when I'm down?  
What is love? Is it a dream no one can't do without?  
What is love? It's in the words that I'm singing out

Coro

What is love? La no Brasil se fala da curtir  
What is love? Dir en Francais ma petit cherie  
What is love? Es la emoci-n que despiertas en mi  
What is love? Around the world, They all know what it  
means
