Its The Talk Of The Town
Glen Gray

I cant show my face,
Cant go anyplace;
People stop and stare;
Its so hard to bear.
Evrybody knows you left me,
Its the talk of the town.
Evrytime we meet,
My heart skips a beat;
We dont stop to speak,
Though its just a week.
Evrybody knows you left me,
Its the talk of the town.
We send out invitations to friends and relations,
Announcing our wedding day.
Friends and our relations gave congratulations.
How can I face them?
What can I say?
Lets make up sweetheart;
We cant stay apart.
Dont let foolish pride
Keep you from my side.
How can love like ours be ended?
Its the talk of the town. br>
