It's The Talk Of The Town
Glen Gray

I can't show my face,
Can't go anyplace;
People stop and stare;
It's so hard to bear.
Everybody knows you left me,
It's the talk of the town.
Everytime we meet,
My heart skips a beat;
We don't stop to speak,
Though it's just a week.
Everybody knows you left me,
It's the talk of the town.
We send out invitations to friends and relations,
Announcing our wedding day.
Friends and our relations gave congratulations.
How can I face them?
What can I say?
Let's make up sweetheart;
We can't stay apart.
Don't let foolish pride
Keep you from my side.
How can love like ours be ended?
It's the talk of the town.
