So go as far as you want this to go.  
I want you to know, that I don't care.  
I'm only laughing at what I'm afraid of,  
I've never been seen, like this before .  
Am I ashamed?  
I wonder why, am I afraid to die?  
I kill myself, or force myself to fly.  
I can't hear, anything at all.  
Can't you give me, just what I want?  
This makes it harder to live with.  
Seems like a burden to me now.  
I'm only pushing away what I wanted.  
The more that I need it, the more I do without.  
And the urge will pass.  
I wonder why, am I afraid to die?  
I kill myself, or force myself to fly.  
I can't hear, anything at all.  
Can't you give me, just what I want?  
I'm a brat now, now give it.  
I'm a brat, now give it.  
I'm a brat, now give it.  
I'm a brat now.  
I'm a brat now, now give it.  
I'm a brat now, now give it.  
I'm a brat now, now give it.  
I'm a brat now.  
So go as far as you want this to go.  
I want you to know, that I don't care.  
I'm only laughing at what I'm afraid of,  
I've never been seen, like this before.  
Am I ashamed?  
I wonder why, am I afraid to die?  
I kill myself, or force myself to fly.  
I can't hear, anything at all.  
Can't you give me, just what I want?  
I'm a brat now, now give it.  
I'm a brat, now give it.  
I'm a brat, now give it.  
I'm a brat now.  
I'm a brat now, now give it.  
I'm a brat now, now give it.

I'm a brat now, now give it.  
I'm a brat now.
