"Catch The Rainbow"

When evening falls
She'll run to me
Like whispered dreams
Your eyes can see

Soft and warm
She'll touch my face
A bed of straw
Against the rays

We believed
We'd catch the rainbow
Ride the wind to the sun

Sail away on ships of wonder
But life's not a wheel
With chains made of steel
So bless me

Come the dawn
Come the dawn
Come the dawn
Come the dawn

We believed
We'd catch the rainbow
Ride the wind to the sun

And sail away on ships of wonder
But life's not a wheel
With chains made of steel
So bless me, oh, bless me, bless me

Come the dawn
Come the dawn
Come the dawn
Come the dawn
