You'd never know there was music playing,  
Until you talked your way inside the door.  
And then a sound like rolling thunder  
Began to push you right through the floor.  
And there's a great white sign with big black letters  
That just about explains it all:  
"If you don't like rock and roll,  
If you don't like rock and roll,  
If you don't like rock and roll,  
Then it's too late now."  
Anastasia was a huge lady.  
And she was dressed the way the stories tell.  
So, being cool, I made a move to grab her.  
But you could see she'd read the story well.  
And then she whipped out a card with big black letters  
That just about explained it all:  
"If you don't like rock and roll,  
If you don't like rock and roll,  
If you don't like rock and roll,  
Then you're too late now."
