You'd never know there was some music playin'

Until you talked your way inside the door

And then a sound like rollin' thunder

Begins to push you right thru the floor

And there's a great white sign

With big black letters

That just about explains it all

If you don't like rock 'n' roll

Well, if you don't like rock 'n' roll

If you don't like rock 'n' roll

Then it's too late now

Well it's too late now

Hey hey

Of course there was the usual lady

And she was dressed the way the stories tell

So bein' cool I made a move to grab her

But you could see she read story well

And then she whipped out a card

With big black letters

That just about explained it all

Well if you don't like rock 'n' roll

If you don't like rock 'n' roll
Well if you don't like rock 'n' roll
Then you're too late now
Then you're too late now
Well, if you don't like rock 'n' roll
Well, if you don't like rock 'n' roll, yeah
If you don't like rock 'n' roll
Well it's too late now
You're too late now
If you don't like rock 'n' roll
If you don't like my rock 'n' roll
Then you're too late now
Then you're too late now
Then you're too late, too late now
