Carry home my broken bones and lay me down to rest  
Forty days of cries and moans I guess  
I've failed to pass the test  
I've been sent away not a thing to say  
I'm banished from the fold  
I'm a fallen angel who's lost his wings  
And left out in the cold

Chorus:

Ooooh L. A. Connection  
Oh L. A. Connection  
L. A. Connection

Operator place a call keep a secret put it through  
Investigator knows it all he's at the window I wonder  
who  
I've got to cut the line and let me drift  
Find a haven in the storm  
I got no time I need a lift to where  
It's sweet and close and warm

Chorus:

Carry home my broken bones and lay me down to rest  
Forty days of cries and moans well  
I've just failed test  
Feel I'm balanced on the brim should I lean another  
way  
Like a flame that's going on the dim  
Needs blessing from the day

Chorus:

Ooooh L. A. Connection  
Oh take me away I got nothing to say  
It's got to be an L. A. Connection  
L. A. Connection

Chorus:
