[Blackmore / Dio]

I'm a wheel, I'm a wheel  
I can roll, I can feel  
And you can't stop me turning  
Cause I'm the sun, I'm the sun  
I can move, I can run  
But you'll never stop me burning

Come down with fire  
Lift my spirit higher  
Someone's screaming my name  
Come and make me holy again  
I'm the man on the silver mountain  
I'm the man on the silver mountain  
I'm the day, I'm the day  
I can show you the way  
And look, I'm right beside you

I'm the night, I'm the night  
I'm the dark and the light  
With eyes that see inside you  
Come down with fire  
Lift my spirit higher  
Someone's screaming my name  
Come and make me holy again

I'm the man on the silver mountain  
I'm the man on the silver mountain  
Come down with fire  
And lift my spirit higher  
Someone's screaming my name  
Come and make me holy again  
Well, I can help you, you know I can

I'm the man on the silver mountain  
I'm the man on the silver mountain  
Just look at me and listen  
I'm the man, the man, give you my hand  
I'm the man on the silver mountain

Come down with fire  
And lift your spirit higher  
I'm the man on the mountain  
The man on the silver mountain  
I'm the night, the light  
The black and the white  
The man on the silver mountain  
If I'm high on the hill  
She'd still been looking down at me  
What does she see that brings her closer every day to  
my heart  
If I'm away from home  
And think I'm all alone  
She's there, somewhere  
I look around and see  
And looking back at me  
She's there, beware!  
Creeping like a hungry cat  
I've seen her before  
I know it can mean that  
The lady starstruck, she's nothing but bad luck  
The lady starstruck, running after me  
The lady starstruck, she's nothing but bad luck, yeah  
I could fly to the moon  
But she soon find me and wait me there  
I never knew for a while as smile made me really care  
She wants a souvenir  
To everyone it's clear  
She's hot, hot - hot, hot, one look  
She want a photograph  
But everybody laughs but not me 'cause I see  
She's creeping like a hungry cat  
I've seen her before  
I know I can mean that  
The lady starstruck, she's nothing but bad luck  
The lady starstruck, running after me  
The lady starstruck, she's nothing but bad luck, oh oh  
o-o-oh  
Oh my  
The lady starstruck, she's nothing but bad luck  
The lady starstruck, running after me, yeah  
The lady starstruck, she's nothing but bad luck, yeah  
It used to be a game  
Now I can't repeat my name at all  
She seems to believe that  
I never can refuse a call  
She wants a souvenir  
To everyone it's clear  
She's hot; one look  
She want a photograph  
And everybody laughs, hah!

But not me 'cause I see  
She's creeping like a hungry cat  
I've seen her before  
I know it can mean that  
The lady starstruck, she's nothing but bad luck  
The lady starstruck, running after me  
The lady starstruck, she's nothing but bad luck, bad  
luck  
The lady starstruck, she's nothing but bad luck  
The lady starstruck running after me  
The lady starstruck, she's nothing but bad luck  
Bad luck, bad luck, bad luck  
And back in the tree looking back at me  
Climbing up my stair  
I've just got to beware  
Lady starstruck, yes, she's bad luck, bad luck
