Everybody's sayin' that the times are getting rough
You gotta stay loose baby and you gotta be tough...oh
I get knocked down...get right back up again
Cause I never give up and I never give in...
Oh - so strong
Got the power when I turn it on
Yeah - I'm gonna get my fill
Nothin's gonna stop me now and nothin' ever will
I got the...power
I got the power
I feel the power...
and don't forget it
Make some, break some ain't no big surprise
They're gonna wheel ya, deal ya, tell ya all the
lies...(realize)
But I'm a hot shot, shoot em down let me be (that's me)
Cause I got nothin' for nothin' and nothin's ever
free...no
Oh - so strong
All I gotta do is turn it on
Yeah - I'm gonna get my fill

Nothin's gonna stop me now and nothin' ever will
I got the power
Oh, I got the power
I can feel the power
I got the power
Yeah yeah yeah...turn it on
I can take anything that gets in my way
I don't worry 'bout tomorrow I just live for today...
Oh - so strong
Got that feeling when I turn it on
Yeah - I'm gonna get my fill
Nothin's gonna stop me now and nothin' ever will
I got the power
I can feel the power
power
I can feel the power...
Turn it on...
Power (can you feel it)
Power
(repeat)

(you can turn it on, turn it on, switch it on behind)
(Super charged...I can feel the power)
