Version 1 (from stranger in us all)

See the stars come fallin down the sky  
Gently passing, they kiss your tear drops dry  
See the wind come, softly blow  
Your hair from your face  
And the rain comes falling down  
In it's crazy way  
Still Im sad

For myself my tears just fall in the dust  
As I search in the night and find they're lost  
See the wind come gently blow  
Time into my heart  
And the rain comes falling down  
While were apart  
Still Im sad

Version 2 (yardbirds version? )

See the stars come joining down from the skies  
Gently passing they kiss your tears when you cry  
See the wind of summer blow your hair upon your head  
See the rain, the falling rain, it's rain  
Still Im sad

Oh my flowers, my tears are falling two days  
They are driving the night profound, they are lost  
Flower, flower the wind is blowing  
Time into my heart  
When the wind blows hard, we are apart  
Still Im sad

Oh, oh, oh, oh, still Im sad  
Oh, oh, oh, oh, how Im sad
