We are thirsty

[Verse 1]

We hear you calling, calling us by name

We desire to feel your touch again

For we are thirsty

Here we are

Pour out your rain

[Verse 2]

To the waters we have come to drink

Desperation draws us to your feet

For we are thirsty

Here we are

Pour out your rain

[Verse 3]

Send Your holy fire on us now

Change our hearts and our desires now

For we are thirsty

Here we are

[CH:]

Pour out Your rain

Let oceans roar

Let streams arise and let the rivers start to flow

Let people sing

And praise our King

All sufficient God who satisfies [Repeat]

[Bridge:]

We are thirsty, come Lord Jesus

Send Your Spirit on us now [3]

[CH:]

Pour out Your rain

Let oceans roar

Let streams arise and let the rivers start to flow

Let people sing

And praise our King

All sufficient God who satisfies

Come upon us saturate our lives
