My Baby Must Be A Magician  
The Marvelettes

Peak position #17/68

You are under my power  
It is the power of love

Eyes that hypnotize  
And all it takes is just once glance  
Just one look at him  
Puts me in a lover's trance

Now listen  
No rabbits in his hand  
No pigeons up his sleeve  
But you better believe  
When I prove he can do so much  
My baby must be a magician cause he's sure got the  
magic touch

Oh my morale was low  
Then he appeared just like a genie  
His love has the power  
He's my private great Houdini

No reading decks of cards  
No cords that disappear  
No special gear  
Like Alladin's lamp and such  
But my baby must be a magician cause he's sure got  
the magic touch

Whenever I'm feeling bad  
My baby simply kisses me  
And then Presto, Chango, Alakazam  
I'm alright again oh yes I am  
Yes I am alright

No mystic crystal ball  
No long black flowing cape

But I can't escape  
From his tender loving touch  
Oh my baby must be a magician cause he's sure got  
the magic touch  
Say my baby must be a magician cause he's sure got  
the magic touch
