"Not Done Yet"

When it's cold outside
You wait for spring to break
All my wrongs are right
As I make peace with my mistakes

Oh I, I
Oh I, I

I'm not done yet
Not done yet

When the fires die
You're broken by the flames
Though I can't change
I got time to make the change

Don't worry your heart

I'm not done yet

Years go by
Ones we waste
No alibis
To make our case

Out of lines
The walls we wage

Oh I, oh I

I'm not done yet

Oh I, I
Oh I, I

I'm not done yet
Not done yet

When it's cold outside
You wait for spring to break
All my wrongs are right

As I make peace with my mistakes
