Fighter Planes Running 'Round My Head
Running 'Round My Dead
I Gotta Go, Go, Go
The Sex, Love, Honey That I Taste
Honey Makes Me Wait
Honey Says She's Late
A Love Heart Hanging By A Thread
Hanging By A Thread
I Gotta Save It, Save It
Jack And Jill Left The Golden State
There's Nothing Left To Say
Nothing Left To Say

But I, I Don't Feel Like I Felt Before
It's Not Happening Now
My Mother Is At My Door
It's Not Happening
Now That Your Leaving I Love You Like Never Before
Oh,
This Is Not, This Is Not Happening Now,
Can't Be Happening Now.

Love, Hope Heroes That Can Save
Heroes That Can Save.
You Gotta Know Know Know,
Laugh, Hurt Feelings Misbehave.
Feelings Like A Wave
You Gotta Brave It, Brave It.
Up Down Give Me All The Blame
I'll Take All The Blame
I'm Gonna Take It, Take It
Your Begging But You Wont Let Me Explain
I've Got One Foot In This Grave, One Foot In This Grave

But I, I Don't Feel Like I Felt Before
It's Not Happening Now
My Mother Is At My Door
It's Not Happening
Now That Your Leaving I Love You Like Never Before
Oh
This Is Not
This Is Not Happening Now

Can't Be Happening

When You Feel Like Your Alone Inside.
And You Beg But She Wont, Take, You, There
And You can't Find Any Wrong, From Right
One solution is You Don't Let Yourself Ever Care
Ever Care

Oh,
I Don't Feel Like I Felt Before
It's Not Happening Now
My Mother Is At My Door
It's Not Happening Now
This Isn't Happening Now
This Is When She Runs Threw My Machine
She Runs Threw The Tide
She Run Threw China Town,
At The Fourth Of The July
With The Doctors On Call
Don't Forget Mothers Day
The Nurse Is Wreck
We All Start To Fade Away
Oh
This Isn't Happening Now
Can't Be Happening Now
It's Not Happening Now
