Everyday things change
And the world puts on a new face
Everyday things change
And this ol' world seems like a new place

Oh yeah, secretly I've been trailin' you
Like a fox that prays on the rabbit
I had to get you and so I knew
I had to learn your ways and habits

Ooooh, you were the catch that I was after
But I looked up, and I was in your arms
And I knew that I'd been captured

What's this ol' world comin' to
Things just ain't the same
Anytime the hunter...
Gets captured by the game

Oh yeah!!
(The bridge or just music)

Everyday things change
And some old ideas give way, to some new
Certain things rearrange
Like the mere idea of me being caught by you

Oh yeah, I had laid such a tender trap
Hoping you my crawl into it
But love hit me like a sudden slap
One kiss, and then I knew it

Ooooh, my plan didn't work out like I thought
I had laid my trap for you
But it seems that I got caught

What's this ol' world comin' to
Things just ain't the same
Anytime the hunter...
Gets captured by the game

Oh yeah, Oh yeah!!
