Whoa, whoa whoa whoa, who-ooa.
You loved me more, than u let on,
That's why it pained you so,
when I was with him. Oh, oh.
Yeah, well tell me somethin new?
Tell me why u let me suffer while I did what I did,
and you are forcin me, to stay where I am.
I'm driftin dow-ow-own, and you aren't stoppin me.
Have you let me go? Have you finally moved on?
I'm in the abyss, stuck in a dream,
where life is perfect for you and me,
but when I get out, everything is the way it was, again.
It's like I'm in a dreamland,
where they won't care, if we're together for as long
as we wanna be. You can't stop me.
I'm in the abyss, stuck in a dream,
where life is perfect for you and me,
but when I get out, everything is the way it was, again.
Pull me out, out of this world,
shake me back to reality! Force me to face the facts.
Can we be? Can you love me? Can we stay like this? So
far apart?
No, no, no.
I don't wanna breathe anymore,
I don't wanna see anymore,
unless you're with me! I can't live like this,
keeping you a secret from everyone,
and everything, that's not the way I live! Help me to
carry onnn!
I'm in the abyss, stuck in a dream,
where life is perfect for you and me,
but when I get out, everything is the way it was, again.
Help me, please.
