How come how come he can he can tell-a tell-a you're-a  
you're-a  
Always always number number one without a doubt  
(He's one cold snake)  
When-a when-a he is he is always always squirmin'  
squirmin'  
Like a little snake under-a e-ver-y-a rock  
(No give, all take)  
You've been you've been workin' workin' on the on the  
love  
And he's been only only playing undercover all the  
while  
(One smooth sharp tongue)  
Take a take another 'nother look into his eyes  
(He just talks)  
And you will on-ly see a rep-tile

He's a cold-hearted snake  
Look into his eyes  
Oh oh oh  
He's been tellin' lies  
He's a lover boy at play  
He don't play by the rules  
Oh oh oh  
Girl don't play the fool--no

You're the one givin' up the love  
Anytime he needs it  
But you turn your back and then he's off and runnin'  
with the crowd  
You're the one to sacrifice  
Anything to please him  
Do you really think he thinks about you when he's out

He's a cold-hearted snake  
Look into his eyes  
Oh oh oh  
He's been tellin' lies  
He's a lover boy at play  
He don't play by rules  
Oh oh oh

Girl don't play the fool--no

It was only late last night  
He was out there sneakin'  
Then he called you up to check that you were waiting by  
the phone  
All the world's a candy store  
He's been trick or treatin'  
When it comes to true love girl with him there's no one  
home

He's a cold-hearted snake  
Look into his eyes  
Oh oh oh  
He's been tellin' lies  
He's a lover boy at play  
He don't play by rules  
Oh oh oh  
Girl don't play the fool--no

You could find somebody better girl  
He could only make you cry  
You deserve somebody better girl  
He's c-cold as ice

He's a cold-hearted snake  
Look into his eyes  
Oh oh oh  
He's been tellin' lies  
He's a lover boy at play  
He don't play by rules  
Oh oh oh --Girl don't play the fool--no

He's a cold-hearted snake  
Look into his eyes  
Oh oh oh  
He's been tellin' lies  
He's a lover boy at play  
He don't play by rules  
Oh oh oh  
Girl don't play the fool--[Repeat To Fade]
