Something sweet fills my soul with wonder  
Tender arms wrap me in my slumber  
Cherished thoughts keep our hearts together  
Safe and warm, nothing could be better

I will be there whenever you call me  
Didn't I say I love you I will be there to keep your tears  
from falling  
Didn't I say I do

Just a breath passing from your two lips  
And I forget everything, I lose it  
Just a look makes me feel the madness  
In my world no one else will have it

[Chorus]

Time may change some things  
But you and me will always last forever  
Dreams may come and go but we, we know  
Will always be together  
(Didn't I say I love you, boy)

[Chorus]

I will be there no matter what the reason  
Didn't I say I love you  
I will be there and I will never leave you Didn't I say I do
